Profile

Jervis B. Webb GmbH is a wholly-owned subsidiary of the Jervis B. Webb International Company. It was established in 1999 to introduce Webb's innovative products to the German and European market. Jervis B. Webb GmbH sales and project management operations are located in Ludwigshafen, Germany. Major projects include working with Webb-India Private Ltd. on an airport baggage handling system at the airport in Erbil, Iraq.

Jervis B. Webb GmbH also has two branch offices located in Barcelona, Spain, and Paris, France.
